DEGREES CONFERRED BY POSTSECONDARY INSTITUTIONS

IN SOUTH CAROLINA
ACADEMIC YEAR 1984

Introduction

This tabulation of academic degrees and other awards has been compiled by the South Carolina Commission on Higher Education primarily as an aid to institutions and to state-wide planning for postsecondary education. The data are tabulated from information furnished to the Commission and to the National Center for Education Statistics on NCES For 2300 - 2.1 (Degrees and Other Formal Awards Conferred).

All institutions which reported awards in a given subfield are listed immediately following the entry for that subfield. State-supported institutions are listed first, followed by private, or independent, colleges. A zero (0) indicates that a program was offered, but that no degrees were conferred during that year. A blank space indicates that the program was not offered at that level.
